Subject to approval of the French National Council of the French Medical Professions. For the French healthcare professional, Laboratoires Théa shall declare to the medical council where the healthcare professional is registered the financial participation it covers for this healthcare professional. Moreover, according to Article 2 of the French law n°2011-2012 of 29 December 2011, it shall be publicly declared the interests it may have with French healthcare professionals (including financial terms) according to the Decree no. 2013-414 of 21 May 2013. In application of the law of 24 July 2019, relating to the organisation and transformation of the health system, the financing of hospitality is prohibited to health students in initial training (not yet graduated), and their associations. Hospitality includes the cost of accommodation, transport, catering, registration, offered by manufacturing people or marketing health products, directly or indirectly, during events of an exclusively professional or scientific nature, or during events promoting products or services. For healthcare professionals based in another country, Laboratoires Théa shall comply with local applicable law and regulation regarding the declaration to a medical council or any competent entity where the healthcare professional is registered and with the reporting and declaration to a public audience or a competent authority of interests it may have with healthcare professionals. By completing this form and registering for this event, you consent that Laboratoires Théa S.A.S. collect and process your personal data in order to manage your registration. These data will be kept for the applicable legal period and will only be accessible to authorized personnel of Laboratoires Théa or its service provider in charge of organizing the event. You have the right to request the access to and rectification of your personal data, or to ask for erasure or restriction of processing concerning your personal data.
