Artwork Specifications

Specifications

- **The deadline to submit your graphics is 17 July 2026.**
- It is the responsibility of the exhibitor/sponsor to supply artwork as high resolution files in the exact dimensions specified below.
- Once the artworks has been approved, any reprints will result in additional charges.
- EA Exhibitions will not assume responsibility for any reprints needed as a result of low quality.
- The supplied files must be clearly marked with the corresponding name (left wall, right wall, front of counter etc.).
- Please provide a visual or mock-up showing where each image must be installed.
- Please send each wall design as one separate file.
- Please ensure that all artwork submitted is correct at the time of submission
- Please send artwork through Dropbox or WeTransfer to escrs@eaexhibitions.com (always indicate the company name).

Submitting Overall Layout

- Submit the file in one of the following formats
 - Adobe InDesign
 - Adobe Illustrator
 - Adobe Acrobat PDF
- Please submit high resolution images.
- Artwork must be supplied at 25%, 50% or 100% scale.
- Artwork must not be smaller than 25% at 300dpi when scaled to actual size.
- All fonts must be outlined and all images must be embedded.
- Artwork produced for vinyl must be supplied in vector format (pixel format i.e. tiff. jpeg. are not suitable).

Creating Files

- Artwork must meet bleed requirements for your specific order (25mm for fabric graphics and 10mm for FMX graphics)
- NO cutting marks or other markings

Premium C Package – 12 sqm – 4 m X 3 m – Row

Wall 3: 0.992m wide X 2.480 High
(0.062mm on either side hidden)

Wall 2: 0.992m wide X 2.480 High
(0.062mm on either side hidden)

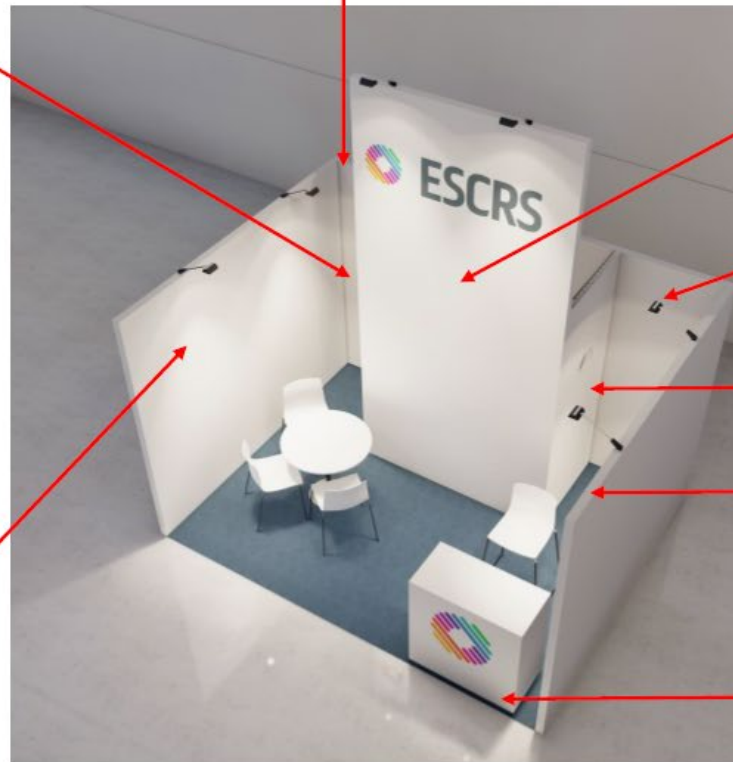

Wall 4: 1.984m wide X 3.968m high

Wall 5: 0.992m wide X 2.480m high
(0.062mm on either side hidden)

Wall 6: 0.992m wide X 2.480m high
(with viewing portal)

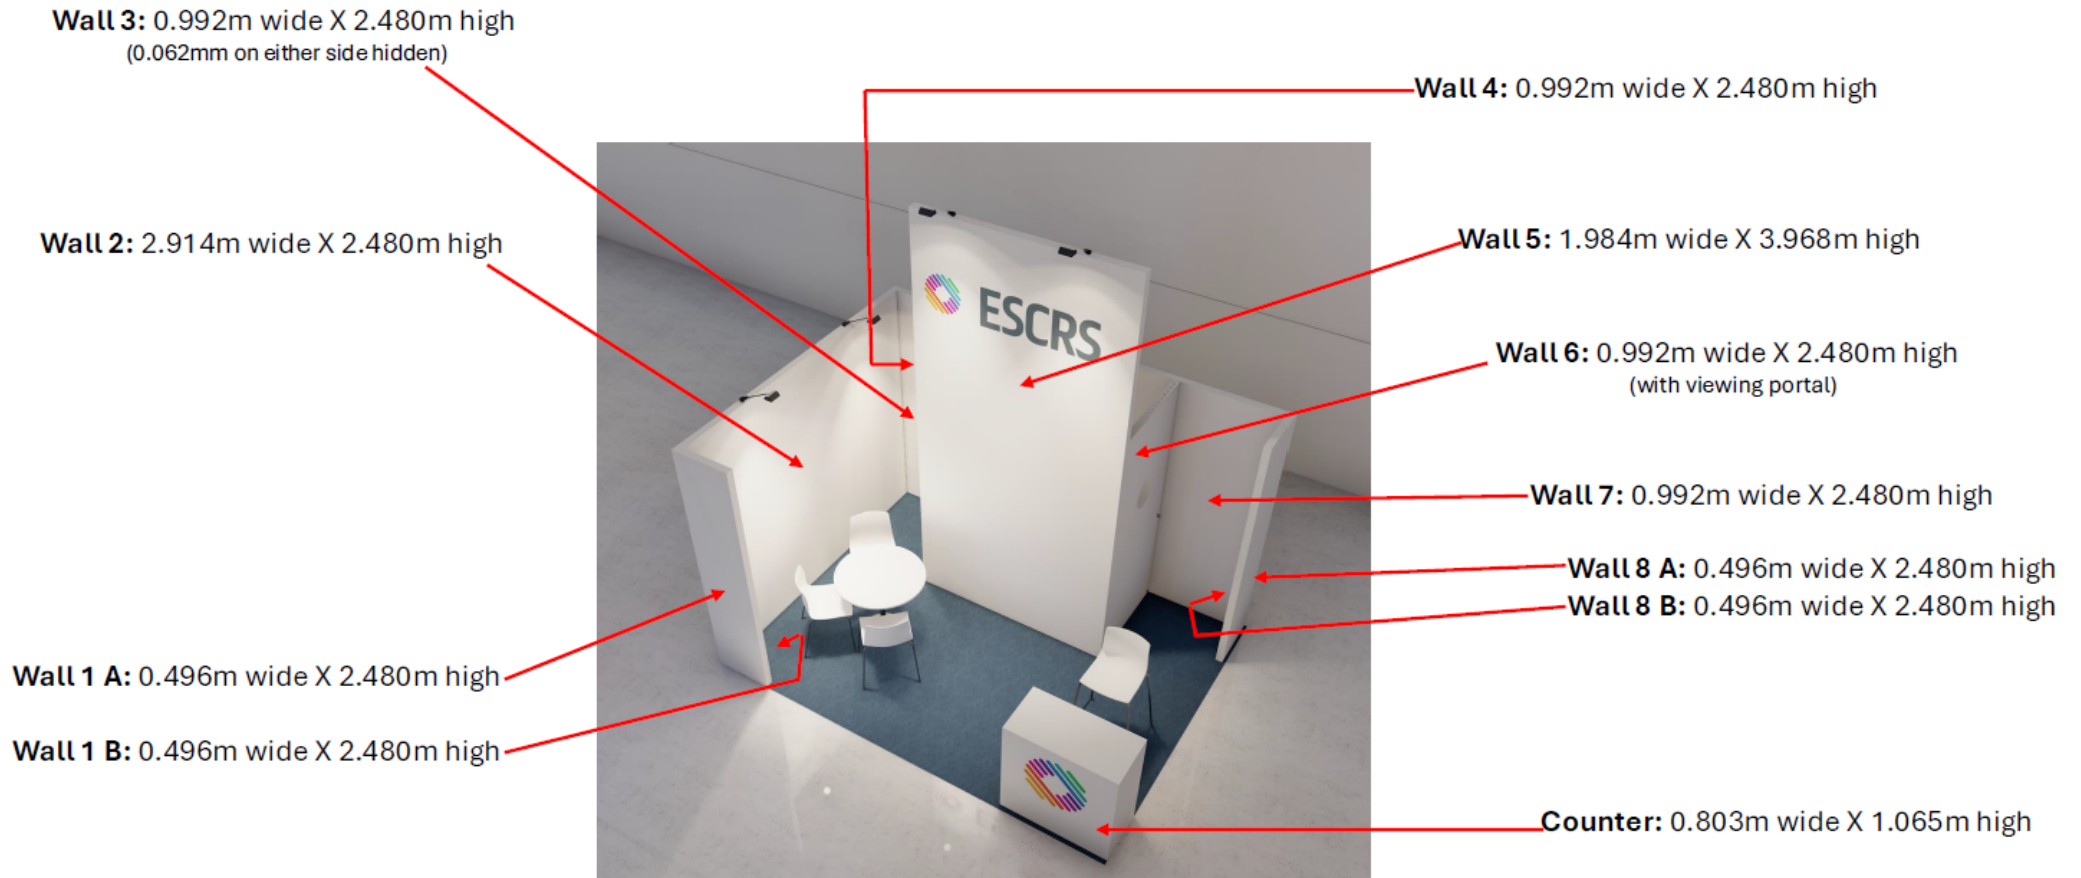

Wall 7: 2.914m wide X 2.480m high

Counter: 0.803m wide X 1.065m high
