LONDON

WELCOME MESSAGE

Join us in London for the “Queen of Hearts” of ophthalmology congresses in 2026!

The ESCRS convenes in the city where the first intraocular lens (IOL) was implanted!

Take the Elizabeth line to the historic Victoria Docklands and prepare to meet the royalty of ophthalmology in the Excel London. Or take the light rail from Tower Hill, where Henry VIII had two of his wives incarcerated (and later beheaded). London is a metropolis rich in history and innovation – there is no better place to experience 21st century eye care and eye surgery at its finest!

The 44th Congress of the ESCRS will take place on the banks of the River Thames from September 11 to September 15, 2026. All signs point to surpassing even the remarkable success of the Copenhagen meeting in 2025!

As always, the ESCRS congress will feature Main and Research Symposia, Arena Debates, Global Refractive Symposium, 3D Surgical Microscope and AI Summit, ESCRS/EURETINA Symposium, Near Live Surgery, Instructional Courses, Wetlabs, Video Sessions, Posters and Oral Presentations as well as various other special interest days and sessions. INovation Day might still be young, but it is already well-established and in high demand. It is never too

early to get your tickets! Or, as a true Londoner would say: It's about bloody time ...

Building on the legacy of the recent ESCRS congresses under the leadership of Filomena Ribeiro (to name just one of the society's former presidents), we will continue promoting excellence in clinical practice, research, and education, while fostering a culture of sustainability and social responsibility.

There will also be several novelties. A few of these are of particular interest to the pharmaceutical industry. We are actively working on these innovations and remain highly optimistic about their impact.

So plan ahead and mark your calendar!

We look forward to seeing you at the 44th Congress of the ESCRS in the “City of Dreams”!

Kind regards,

H. Burkhard Dick

“You find no man, at all intellectual, who is willing to leave London. No, Sir, when a man is tired of London, he is tired of life; for there is in London all that life can afford.”

Samuel Johnson

General Sales Information & Priority Points System

Exhibition space will be allocated based on a priority points system.

Full details on the ESCRS Priority Points system are available at the following link: [CLICK HERE](#)

Booking will open initially via restricted presales to companies with priority points accumulated in 2025. Thereafter general sales will open to all companies on a first-come first-served basis.

Ordering will take place via an online booking system. Full details will be communicated to all previous ESCRS sponsors and exhibitors in due course.

If you are new to ESCRS, please contact escrs.sponex@mci-group.com to request access for the online booking platform.

Based on the feedback we have received, ESCRS are making changes to the priority points system how points are accumulated in 2026 for the ranking used in 2027. Please make sure to review these changes and a clear overview of how points will be accumulated here.

Exhibition Pricing

Exhibition – Space only (per sqm) Price (EUR) 865 excl VAT

As part of the ESCRS 2026 Congress, an exhibition space will provide a unique opportunity for exhibitors to showcase their products, services and educational programmes to over 8,000 on-site healthcare professionals, with an interest in all areas of cataract and refractive surgery.

The layout of the exhibition is expertly designed to ensure comfort for the delegates and optimised visitor flow and therefore maximum exposure for the exhibitor.

Sponsorship Opportunities

Near Live Surgery (per slot)

Price (EUR) 20,000 excl VAT

The aim of this programme is to showcase the latest techniques and innovations in cataract and refractive surgery, presented by leading surgeons from around the world.

As a sponsor of this programme you will get a 9 to 13* minutes slot including the case introduction, near-live surgery video and Q&A discussion.

Sponsorship includes the following benefits:

- A sponsor recognition introductory slide with your logo
- A copy of the recording post congress, which you can use for your own marketing purposes
- A sponsor logo/recognition next to your session on the Near Live Surgery programme webpage on ESCRS 2026 Congress website

Please note that as a sponsor, you will be required to organise and handle the recording of the surgery and provide us with the video file in advance. The video should be in 4K quality (.mp4) and have live comments from the surgeon in English, not voice over post recording.

The surgeon must be present at the congress in London for the Q&A during the session.

*Exact length will be confirmed once the programme is finalised.

Images shown are for illustration purposes only. The sales opportunities on this page might be impacted by the new UEMS (European Union of Medical Specialists) rules. In most instances, it concerns the means of recognition and the placement of the physical sponsorship items. MCI and ESCRS reserve the right to alter and adapt the wording of these items by closely following the evolution of the UEMS guidelines.

Sponsorship Opportunities

ESCRS Today

ESCRS Today is the daily newspaper published by EuroTimes on site at the 44th Congress of the ESCRS.

Packed with news and photos of the day's events, ESCRS Today provides Industry with the opportunity to promote their Industry Symposia and attract delegates to their booths.

ESCRS Today is hand delivered to Congress delegates each morning as they enter the Congress Centre. ESCRS Today is often kept as a souvenir and is taken home by delegates to share with colleagues who were unable to attend the meeting.

For information on ESCRS Today advertising opportunities at ESCRS 2026, please contact roo.khan@wearemci.com

EuroTimes Symposium Supplement (Print and Digital)

Price on application

Extend the reach and impact of your Satellite Symposium by commissioning a dedicated EuroTimes supplement.

These supplements provide a powerful platform to share key insights and outcomes from your session with a wider community of ophthalmic professionals beyond the room.

Supplements are available in both digital and print formats and can be distributed via EuroTimes channels and/or at the Annual Congress, depending on your needs. Content may be provided by the sponsor and professionally designed by the EuroTimes editorial team, or alternatively, sponsors may submit fully designed material for review and distribution.

Ideal for reinforcing your educational messages, showcasing scientific data, or increasing visibility among European ophthalmologists.

To discuss your objectives and obtain a tailored quote, please contact: Roo Khan — roo.khan@wearemci.com

Excimer - Innovating Vision

Celebrating the Excimer Laser

Silver Sponsorship Price (EUR) 5,000 excl VAT

Platinum Sponsorship Price (EUR) 10,000 excl VAT

ESCRS will present a history of the innovations and achievements of all those involved in the development of the Excimer Laser and its use in ophthalmology.

This includes the surgeons and engineers as well as importantly, the industry partners who made it a reality. ESCRS welcomes any industry partner who has a history of Excimer Laser development to share this story in the form of a short informational video – to be presented in the Excimer Laser Celebration. Any physical items, photos, surgical videos or more would be very welcome too. Please let the ESCRS Head Office escrs@escrs.org, know at your earliest convenience if you would like to partake in this activity. We welcome all contributors!

ESCRS BoSS - Building our Sustainable Society

BoSS is an exciting ESCRS initiative born out of a passion from ESCRS Past-President, Filomena Ribeiro. It highlights, educates and generates awareness to 'Building Our Sustainable Society' (BoSS). ESCRS is dedicated to creating an environment where everyone - members, staff, and industry partners feel that they are part of an inclusive and open culture.

Join ESCRS in being a part of BoSS, together we can belong, feel ownership, and shape the future, to create a better world for future generations, a world free from conscious and unconscious bias. Become part of an ESCRS movement for change within the ophthalmology world and beyond.

If you are interested to support the ESCRS BoSS initiative and learn more about our partnership options, please reach out to Lara Schneider by email at escrs@escrs.org.

ESCRS 2026 CONGRESS OUTLINE / PROJECT DEFINITION

All items listed in this brochure apply to the ESCRS 2026 Congress in the following form and definition:

- Face to face Meeting at the Excel London with a projected "in-person" attendance of over 8,000 healthcare professionals
- Virtual component hosted on the M-Event platform to facilitate the attendance of delegates who are not able to travel and participate in person.
- Congress dates: 11 - 15 September 2026

RESERVATION

To be valid, your reservation must be submitted via the ESCRS online booking platform ahead of the applicable deadlines communicated by the ESCRS 2026 Congress Sponsorship and Exhibition Secretariat. Booth space, satellite symposium slots and sponsorship items allocations will be attributed according to the ranking system in place at the ESCRS Congresses based on previous participations [Click here for further information](#). Companies will be requested to make choices, but neither ESCRS nor MCI Suisse SA can guarantee first choice. Once locations, slots and items have been attributed, no change will be possible without MCI Suisse SA's written agreement.

The submission of an order via the official ESCRS booking platform (or via signed paper order form where exceptionally applicable) constitutes a firm hire commitment and compels the subscriber to pay for the items ordered and accept both the general conditions, rules and regulations outlined here. No verbal or telephone agreement will commit MCI Suisse SA nor the Organising Committee unless confirmed in writing.

PAYMENT TERMS AND GENERAL CANCELLATION POLICY

100% of the total exhibition and sponsorship fees due shall be invoiced on booking. Payment is due within 30 days of receipt of invoice.

Notification of cancellation must be submitted to escrs.sponex@mci-group.com in writing and will only be deemed accepted once written acknowledgement has been confirmed.

This cancellation policy also applies in the event of partial cancellation or reduction of booth space or other items ordered. The cancellation policy shall apply regardless of whether payment has been received or not.

Date of receipt of cancellation from sponsor/exhibitor	Cancellation fees applied
Until 150 days prior to the Meeting	50% of total order amount
Within 149 days of the Meeting	100% of total order amount

FORCE MAJEURE

Outwith the scenarios described in the previous section, neither ESCRS nor MCI are responsible for either the partial or total non-execution of the contract in the event of accident, an act caused by a third party, such as Acts of God including, without limitation, credible threats of natural disaster in the geographic vicinity, war, curtailment or interruption of transportation facilities, threats or acts of terrorism or similar acts, governmental travel advisory, a governmental elevation of the terrorism alert level, civil disturbance, the issue of a Travel Warning by the World Health Organization or any other cause comparable events or disaster beyond the parties' control which prevents the Venue from accommodating the clients of MCI Suisse SA for the event or if for the same reasons the event is cancelled by MCI.

In the event of force majeure, the event dates may be changed, or the latter may be purely and simply cancelled.

In the last event, the disposable funds after payment of expenses will be shared between exhibitors in proportion to their payments without it being possible to take recourse against the Organiser or the producer.

INSURANCE

The signatory renounces to take recourse against the Organisers or against the owners of the premises and undertakes to underwrite insurance policies covering all the risks incurred by the company's local rules regarding travelling. All Exhibitors are required to have Public / General Liability insurance with a minimum Limit of Indemnity of 2 Million Euro in aggregate in order to participate in the Congress and associated Exhibition. The Exhibitor shall be liable for personal injury and damage to property caused by the Exhibitor, his or her servants or agents, or by his or her equipment and activities. All Risks cover against damage and theft to the Exhibitors own property, and also to property rented/leased by the Exhibitor, shall also be arranged by each Exhibitor. Cover shall also be arranged for injury to exhibitors own employees, where applicable. Exhibitors shall ensure that any subcontractors engaged by them have similar and commercially reasonable insurances in place. It is the responsibility of each Exhibitor to ensure that they have the required insurance policies in place and the ESCRS is only responsible for damages arising from the wilful neglect of its permanent staff.

Each Exhibitor is responsible for ensuring that they have the required level of insurance in place and that each external (non-venue) contractor engaged to provide services for their booth also have the required level of insurance cover in places for the duration of the exhibition buildup, open days and dismantle. All relevant documentation must be available for inspection on-site at the booth. In any case, the insurance protection will not be given to the exhibitors by the Organisers.

Terms & Conditions

LOCAL AND SITE REGULATIONS

Exhibitors shall abide by the local and site regulations with respect to law and order, safety and security. The Organisers will take appropriate action against those who do not comply with the regulations. The organizers have the authority to demand removal/ change of any structure which is not in accordance with the Congress rules or cancel participation. The decision of the organizers will be final and binding.

TECHNICAL MANUAL

A Technical Manual will be sent to every registered exhibitor and sponsor in due time. This manual will contain all information regarding general conditions, safety regulations, setting up of a booth and arrangement conditions, description of the booth, specification documents and maps along with order forms and prices for furniture, decoration and all necessary services (telephone, electricity, transport, storage...)

ACCESS TO THE EXHIBITION

Access to the exhibition will only be possible to registered congress participants or exhibition participants.

INDUSTRY COMPANY MEETINGS & COMPANY EVENTS

It is strictly forbidden to hold company meetings and company events outside the congress venue during the official congress programme times.

Non-compliance may affect the companies' participation in future ESCRS meetings.

Company meetings can be held at the congress venue subject to available meeting spaces and their capacities.

INTERPRETATION OF THE REGULATIONS AND AMENDMENTS

MCI Suisse SA is the sole competent authority as to problems arising from the interpretation of the here enclosed regulations and their enforcement. Any expenses resulting from the non-observance of the here-enclosed regulations will be chargeable to the sponsor / exhibitor. MCI Suisse SA reserves the right to change or to complete the here-enclosed regulations at any time. If any changes should occur, all participating companies will be informed.

DATA PROTECTION CLAUSE

In accordance with the "applicable data protection laws", including but not limited to laws and regulations of the European Union, the European Economic Area and their member states, Switzerland, the United Kingdom and the State of California, MCI, as data controller, processes the exhibitor/sponsor's personal data for the purposes of (i) managing and organizing the event, in particular the management of exhibitor/sponsor's stand, investment opportunities or industry symposium (ii) managing and organizing prospectation and loyalty (iii) enabling the exhibitor/sponsor to benefit from MCI services (iv) enabling the exhibitor/sponsor to receive MCI news.

In accordance with the applicable data protection laws, the exhibitor/sponsor benefits from a right of access, rectification, limitation, deletion and portability on his data. The exhibitor/sponsor may also object to the processing of his personal data concerning him and lodge a complaint with the competent supervisory authority. The exhibitor/sponsor may exercise his rights by sending a request to the following address by contacting our Data Protection Officer (DPO): privacy@mci-group.com.

As part of their contractual relationship, MCI and the exhibitor/sponsor (hereinafter referred to as the "Parties" and individually as a "Party") undertake to comply with the applicable data protection laws. Each Party acts as an independent controller with respect to its processing of personal data in connection with this agreement. Each Party will comply with its respective obligations under applicable personal data regulations with respect to its processing of such personal data. To the extent that either Party provides personal data to the other Party pursuant to this agreement, the Party supplying the personal data confirms that it has consent or another legal basis to provide the personal data to the receiving Party and for the receiving Party to process the personal data consistent with this agreement, and in accordance with its applicable privacy policy. For clarity, nothing in this agreement limits a Party's ability to use an individual's personal data to the extent directed by, consented to or requested by such individual.

In case of personal data transfers from the European Union, the European Economic Area and/or their member states, Switzerland and the United Kingdom to countries which do not ensure an adequate level of data protection within the meaning of applicable data protection laws of the foregoing territories, such transfers shall be based on the terms of the European Union Standard Contractual Clauses and UK Addendum or based on any other legal means allowed by applicable data protection laws. Parties shall ensure data transfers are protected through appropriate mechanisms.

PRODUCT DISCLAIMER & COMPLIANCE

The ESCRS reminds sponsors, exhibitors and their agents or designees of their responsibility to be aware of and to abide by all guidelines and codes regarding the relationship between the pharmaceutical and medical device/ equipment industry and healthcare professionals that are applicable to your company.

Recommendations about pharmaceutical guidelines must come from your internal legal departments as ESCRS and MCI Suisse SA may offer no advice that can be construed as legal.

Introduction

Dear Industry Partners,

iNovation Day is becoming a corner stone for ophthalmic innovation in Europe.

The success story continues – and with it comes a small jubilee: For the fifth time, the European Society of Cataract and Refractive Surgeons (ESCRS) will host its unique innovation platform that brings together ophthalmologists, industry leaders, emerging companies and the financial community from across Europe and other parts of the world: iNovation Day.

The ESCRS is excited to announce this event that will take place in a city that has contributed so much medical innovation over the centuries: London. Once again, it will be a full-day programme held on the day immediately prior to the opening of the main ESCRS Congress: Friday September 11th, 2026 at the Excel London.

With over 50% of doctor attendees iNovation truly is unlike any other ophthalmology innovation meeting. We are proud to say that iNovation Day is “THE Innovation Meeting for Doctors”.

The carefully curated program will feature 9 fast paced sessions focused on the most urgent clinical needs and barriers to success in anterior segment care. Topics ranging from the ocular surface to the retina include focused panel discussions, 15-18 emerging company presentations and interactive components, such a chat for audience comments and live voting.

We will continue with highlight sessions, such as the industry executive leadership panel, discussing the immediate future of our field, as well the Innovators Den giving the stage to budding entrepreneurs and bring together the leaders of global ophthalmic societies to drive meaningful change.

Stay tuned for new and exciting tweaks to our program, which will have a special focus on artificial intelligence and how it will impact everyday practice.

Last, but certainly not least, we ensure that there is ample time to network, meet new partners and colleagues from across the globe over food and refreshments, during breakfast, coffee breaks and lunch.

Come and join us at the 2026 iNovation Day in London as we review, discuss and shape the future of our industry!

All the best,

Burkhard Dick

Emerging Company Showcase

Emerging Company Showcase

The ESCRS is looking to identify smaller companies with emerging technologies to present at the 5th ESCRS iNovation Day taking place on 11 September 2026 at the Excel London, United Kingdom.

The goal is to have emerging technologies presented to a large ophthalmic audience of doctors and industry to accelerate market introductions.

Presentations will be reviewed and discussed with a panel of ESCRS doctor leadership and key industry leads. Presenting company applications will be reviewed by the iNovation Program Committee, that includes the key leadership of the ESCRS organization. If your company is selected, the fee to present is €1,000.
