

Dear ESCRS Industry Partners,

In the lead up to the 44th Congress of the ESCRS in London, the ESCRS Exhibition and Sponsorship team will be providing you with regular updates in the form of a newsletter focused on the operational aspects of the Congress. To make sure you are not missing any news.

BROCHURE AND TECHNICAL EXHIBITION INFORMATION

Should you not have signed up yet for the 44th Congress of the ESCRS in London, please find the link to the brochure [here](#).

The latest technical exhibition information is available on the website [here](#) and on the booking platform [here](#).

Please make sure to check the technical manual regularly to make sure you are not missing any information and everything is arranged for the start of the congress.

IMPORTANT: In the latest version you will find more information on the approval process of the booths and their compliance to the UK regulation, we would highly recommend making sure you are aware of this information. you may find it in the technical manual [here](#).

EXHIBITION OPENING HOURS

Please find below the schedule of the exhibition official opening hours, please make sure to review them accordingly as these might be different then last year. You can find the buildup and dismantling hours available on the technical exhibition information available [here](#).

Exhibition official opening hours	Monday	14 September 2026	09:00 - 17:00

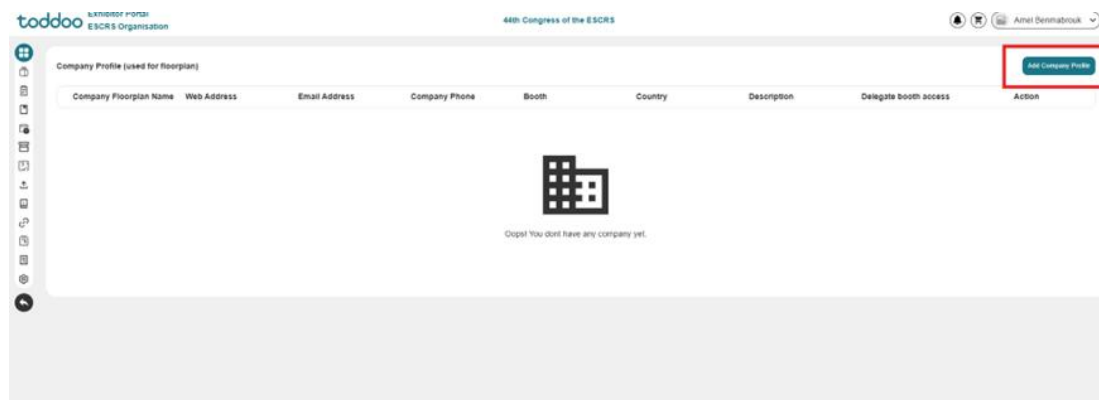

ORDERS FOR THE AV COMPANY

Should you require any additional orders for your stand, satellite symposium or meeting rooms please make sure to send your orders by **August 12** latest to industry@m-events.com.

COMPANY INFORMATION

Should you not have uploaded your company profile, please do not forget to submit your company logo and information directly via the online booking platform [here](#). We will need this information to add to the overview of confirmed sponsors on the website which is now available and for the app. Additionally the profile will also be available on the [online floorplan](#).

The screenshot shows the 'todoo Exhibitor Portal' for the 'ESCRS Organisation'. The main header indicates the '44th Congress of the ESCRS' taking place from '11-15 SEPTEMBER 2026' at the 'ExCel, Exhibition Centre, London - UK'. A countdown timer shows the event starts in 115 days, 11 hours, 47 minutes, and 12 seconds. The sidebar on the left includes links to 'Shop', 'My Orders', and 'My Bookings'. The main content area features a 'Shop' section with 'Exhibition products' and '44th Congress' items, a 'My Orders' section with 'No order available', and a 'My Bookings' section with 'No data available'. The central part of the page displays 'The Floorplan' for the event. On the right, the 'Company Details' section for 'ESCRS Organisation' is highlighted with a red box, showing contact information and a 'View all' button. Below this, the 'Company Profile' section is also highlighted, indicating that no profile has been added yet and providing a link to 'View all'.

COMPLIANCE FIELD

You may notice a new field has been added to the company profile form. Based on the information you provide, we will specify whether your booth includes delegate access restrictions. This addition is intended to help streamline the delegate experience, as regulations may vary for certain companies.
